Dear Parents,

I continue to receive information about the Coronavirus (COVID-19) and protocols for handling various situations. At this point, the Science Fair, Poetry and Prose and The Tulare Band Festival are cancelled, and as for our week at SCICON for sixth grade, we have been rescheduled for April 27th thru May 1st. In addition CVC has cancelled all sports events until further notice. Their AD will keep us up to date with any changes. I am in the process of hiring a part time custodian, however, in the meantime I have hired a private cleaning company to come in on Monday, while students are off, and deep clean all the restrooms. I am also sending a handout from the National Association of School Psychologists about talking to your child about the Coronavirus. I will continue to keep you informed as possible. Please call if you have any questions. It is my goal to protect the safety and health of everyone on campus.

Sincerely,

Susan Sherwood
